Natural Care

La linea Arianna rinnovata in alcuni suoi prodotti, come i nuovi lavabi e i nuovi sanitari a terra, continua la sua evoluzione, sempre fedele alle forme pulite che non lasciano spazio al superfluo.

Questa semplicità formale permette a questo prodotto di essere durevole nel tempo e sempre contemporaneo.

Some of the products of the Arianna line have been renewed, such as the washbasins and floor-mounted sanitary fixtures, continuing its evolution and staying faithful to basic, no-frills shapes. This formal simplicity makes this products long-lasting and contemporary.
