La famiglia CITY è caratterizzata da linee morbide e dimensioni contenute. Una semplicità classica e intramontabile adatta ad ogni tipo di esigenza. City è composta da due linee di lavabi, due coppie di wc e bidet di cui una sospesa tutti con sistema di scarico 4,5 litri (GSI save water). I lavabi semicircolari possono essere installati a sospensione, su colonna o su colonna sospesa, mentre i lavabi rettangolari possono essere installati a sospensione e ad incasso ad eccezione del lavabo 60 che può essere installato su colonna o su colonna sospesa. Tutti i lavabi rettangolari sono accessoriabili con uno specifico portasciugamani in ottone cromato.

The CITY family is characterized by soft lines and restrained dimensions. A classical and timeless simplicity which fits every kind of requirement. City is composed of two lines of washbasins, two pairs of Wc and bidet from which one is wall-hung and all with a flushing system at 4.5 litres (GSI save water). The semicircular washbasins can be installed as wall-hung, on pedestal or on wall-hung pedestal, whereas the rectangular basins can be installed as wall-hung or built-in with exception to the washbasin 60 that can only be installed on pedestal or on wall-hung pedestal. All the rectangular washbasins can be accessorized with a specified towel rail in chromed brass.
